The Institution takes feedback from various stakeholders, namely Students, Teachers, Parents and Alumni every year. For the academic year 2018-2019, Feedback was collected manually by the teachers.

1. Students Feedback on Course: The Final Year students of all the courses are asked to give a course feedback. The Feedback forms have different parameters which include the syllabus content, reference material and ICT facilities available and assessing internal marks for the course. After collecting the feedback, it is analyzed and the reports are prepared. The issues and the possible solutions are discussed at the department level and the same is reported to the IQAC and the principal for appropriate actions to be carried out.

2. Students Feedback on Faculty: Feedback on Teachers is collected by each teacher from the classes they handle. The parameters include clarity of teaching, subject knowledge of the teacher, regularity and punctuality, guidance given to the students by the teachers. The feedback is analyzed individually for self-improvement of the teachers.

3. Teachers Feedback on Course: The feedback is collected manually from the teachers of all departments by the IQAC. An analysis of the feedback is done and the report is prepared and placed before the principal and follow up action is taken by the principal. Based on the feedback, the teaching facilities are improvised which helps the teachers in enhancing their teaching methodologies. It was suggested to increase the number of computers, extension activities, ICT rooms, reading and referential material from the library and placement programs. After analyzing the feedback, reports are made by the teachers. The parents' feedback is taken in the right spirit and their constructive criticism helped us make necessary changes in several spheres. It was recommended to integrate more placement programs, soft skill training and special add-on courses that would involve students to not only learn but implement and scrutinize their experiences into a more focused career.
