Sub: Memorandum pertaining to illegal activities near our campus

Respected Sir,

Greetings from St.Aloysius Degree College and Center for Post-Graduate Studies!

St. Aloysius Degree College and Centre for Post Graduate Studies was established in 2008 and managed by the Archdiocesan Board of Education. We are accredited by NAAC and affiliated to Bengaluru North University. St. Aloysius Degree College is included under section 2(f) of the UGC Act, 1956. We affirm to higher quality education while simultaneously committing ourselves to provide affordable and accessible education for all, especially for minorities and socio-economically disadvantaged students seeking to pursue higher education.

The concern that we would like to bring to your notice is the surrounding and entrance of our college has not been maintained well because of a lot of waste being dumped around and a lot of illegal activities have been taking place that could cause harm to our students. As per the order which states there will be no paan or cigarettes shops within a range of 100Mts from any educational institution, there has been a new shop set up close to the campus that has been selling paan and cigarettes. It is also found that some residents staying at the back side of the college throwing stones and breaking the windows of the class rooms. We request you to kindly strengthen night patrolling in this area and take necessary action for the best interest of the students.

Thanking You
