St. Aloysius Degree College always provides ample opportunities for students to participate in curricular and extracurricular activities. The word Yoga is derived from the Sanskrit root, YUJ meaning “to yoke” or “to join” it’s the spiritual process of joining. Atman to Brahman or one’s individual spirit of god. Yoga is etymologically related to the English word YOKE thus its means, “a setting to work” or the pursuit of a goal and can be translated as “Path”(way) or “discipline”. Yoga is a form of exercise that originated in ancient India and is practiced widely across the world today. Yoga not only enhances your physical strength but also contributes largely towards your mental health and spiritual growth. On 21st June 2015, World Yoga Day was observed for the first time across the world and has since been celebrated annually. Yoga not only keeps you fit but also has a lot of long-term benefits when you make it an integral part of your lifestyle. The theme for Yoga Day was ‘Yoga for Humanity’. Principal Dr. Sr. Sagayamary SJT and Physical Director Mr. Chethan M.G. demonstrated the asanas to the students and staff members present for the event. Assistant Professors Dr. Itigi and Dyavappa actively participated and helped the students to perform the asanas in a correct manner. I would like to thank our college Principal, vice Principal Fr. Vinoo Fabian, our Manager Fr. Anthony Mahendran, all the teaching and non-teaching staff and specially thanks to all the student participants. Without your support and enthusiasm this would not have been such a successful event.

Report

The World Suicide Prevention Day is commemorated on September 10th every year worldwide. The day was observed in our institution in the Degree College Auditorium. The theme of this year 2023 was "Creating Hope through Actions". Every year close to 800 000 people die as a result of suicide. There is one death every 40 seconds. Suicide is a serious public health problem that has lasting harmful effects on individuals, families and communities. The students of II BA psychology participated in the awareness program by performing a skit. The skit displayed a few risk factors which are common among people which lead to suicide, as the number of suicides are rising its important that sensitization of such issues are brought notice to students.
