

Special or unique program conducted during the Academic year 2022-23

In the academic year 2022-23 at St. Aloysius Degree College, two remarkable initiatives were launched to enhance the educational experience and foster a supportive environment. These initiatives not only strengthened the bond between faculty and students but also extended a helping hand to students from the violence-stricken state of Manipur.

Unique Mentoring Program:

One of the standout features of the academic year was the introduction of a novel mentoring program. In this innovative approach, each faculty member took on the responsibility of mentoring five students. The mentor-student meetings were held every Friday, providing a dedicated platform for students to engage with their mentors. This initiative had several significant outcomes. The mentoring program played a pivotal role in nurturing strong and trusting relationships between faculty members and students. By meeting regularly, mentors gained a deeper understanding of their mentees' academic and personal challenges, which allowed for more personalized guidance and support. This newfound connection facilitated open communication and helped students feel more comfortable seeking advice or discussing their concerns.

A noticeable impact of this initiative was the positive effect on students' emotional well-being. The regular interactions with mentors provided a safe space for students to discuss their emotions and concerns. They learned to manage stress, anxiety, and academic pressures more effectively, contributing to a healthier overall outlook on their academic journey. Through these mentor-student meetings, students developed problem-solving skills and resilience. They were encouraged to tackle challenges head-on, guided by the wisdom and experience of their mentors.

Support for Students from Manipur:

In a compassionate and humanitarian gesture, St. Aloysius Degree College opened its doors to students from the violence-stricken state of Manipur. These students were offered free education, accommodation, and meals, ensuring their access to quality education in a safe environment. The college's commitment extended beyond mere enrollment. The college facilitated their smooth transition by providing not only academic guidance but also emotional and cultural support. A dedicated support team was in place to address any specific needs or concerns, ensuring these students felt welcome and valued. The initiative not only benefited the students from Manipur but also enriched the college community. It promoted diversity and inclusivity, fostering an atmosphere of cultural exchange and understanding among all students. This experience broadened horizons and nurtured tolerance and empathy among the student body.

The innovative mentoring program strengthened mentor-student relationships, bolstered emotional well-being, and empowered students to face challenges head-on. Simultaneously, the college's support for students from Manipur showcased the institution's dedication to inclusivity and humanitarian values.

These initiatives not only enhanced the educational experience at St. Aloysius Degree College but also exemplified the positive impact that educational institutions can have on their students and society at large. As the college continues to evolve and embrace innovative approaches, it sets a commendable example for others to follow, promoting holistic student development and social harmony.

Subject: Request for Admission of Manipuri Refugee Children for the year 2023-2024

Dear Rev. Fr. Anthony Mahendran

As you know our Archbishop is supporting the free education of Manipur refugee with great love for humanity. With his reference, I am writing to you with a heartfelt request on behalf of a group of Manipuri refugee children, who are seeking admission to your esteemed institution, we are sending letter with student.

Name: 1. Henry H. Haokip 2. James Paotinmang 3. Lhumkhongam Haokip
4. Thangakay zou 5. Samuel Letgoulal Baite 6. Leonard Haolingam 7. Scigounang
Khongsai 8. Albert Thanggoul Haokip 9. Haominkom Haokip

As you may be aware, Manipur has been grappling with political unrest and social instability for several years, leading to numerous families seeking refuge in different parts of the country, and facing challenges in continuing their education due to financial constraints and lack of proper support systems. It is in light of these circumstances that I humbly request your assistance in providing them to pursue their education at St. Aloysius College.

I understand that granting free admission to a group of students may pose financial implications for the college. However, I kindly request you to consider them. Admitting these refugee children aligns with the principles of compassion, social justice, and inclusivity. It reflects the Archdiocese commitment to empowering marginalized communities and fostering an environment of diversity.

Thank you for considering my request. BMSSS believes that by working together, we can create a brighter future for these deserving students and contribute to their overall well-being.

Kindly do the needfull

Yours sincerely,

DIRECTOR - BMSSS
