16. NSS CAMP SOCIAL WORK CAMP

- Year: 2022-2023
- Date: 15th October to 22nd October 2022
- Organising Unit: Social work Department & NSS
- Report: Social Work Camp is an integral part of the training program for the students pursuing Social Work Studies. The camp was conducted from 15th October to 22nd October at Doddasagarahalli, a village located in Devanahalli Taluka of Bangalore Rural District Karnataka. The students were given various responsibilities for the better functioning of the camp and the students were accommodated in different families of the village. Several pilot visits were done to identify and understand the needs of the rural community. The interaction with the non- governmental organizations of the village helped the students to identify the issues faced by the villagers. The camp was inaugurated on 15th October having Mr. Joseph, the Panchayath member from the village as the Chief Guest. The occasion was also blessed by the presence of Rev. Fr. Arogyanathan, the Parish Priest of Karahalli, Mr. Arogyasamy and Sr. Manju, the social workers of the village. Activities were conducted to achieve the above objectives of the camp. Some of the activities which were performed during the camp include Lectures, Participatory Rural Appraisal (PRA), Awareness Programs, Skit Play, Social Service, Cultural Programs etc. On the second day, subgroups were created based on the size of the village and number of lanes, where in each group had at least one person who knows the local Language and one who could draw well.. They found out main seasons in the village and to identify the local words used to describe the Seasons, they identified the different occupation of the villagers and in which season they have more work and which they have comparatively lesser, identified the crops grown in the village and understand its seasonal growth, identified the different festivals celebrated in the village and in which season it is celebrated and why, they identified the influential people in the village, these can be community leaders, panchayat leaders, school headmaster, ASHA worker, Anganwadi teacher etc. The students also found out who were the wealthiest

2022-2023

person in the village, identify at least three of them. They were also found out about the history of the village, identify any historical events in the village, example first shop, first school, medical center, establishment of anganwadi and the last major meeting held there. On the third day and fifth day the students had firsthand experience of the life of the farmers. They worked with the farmers in various farms which helped them to know the problems faced by the farmers. On the fourth day and sixth day the students visited different villages and interacted with women specially those who are part of self-help groups which held them to know about self-help groups in detail. The rural camp concluded with the valedictory program which was attended by all the people in the village and the influential people of the area. The cultural program was held as a token of appreciation for the villagers for welcoming the students to their village and providing opportunity to live among them. The children from the village also showcased their talents on that day. The Social Work students were able to excel in professional skills such as leadership, communication, team work, organization, coordination, cooperation, rapport building, reporting and so on. They were able to learn how to interact with the people and collect a data from them as they were provided a golden opportunity to conduct a survey on socioeconomic and educational status of people at Doddasagarahalli. Overall the camp provided a very good experience on how the rural people live, their routine, their values and beliefs. The students also learned how to engage into an unknown community and the efforts and sacrifices to be carried out. This experience was far from theory, it fully accompanied reality.
